### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The amendment after Final rejection filed on 8/03/04 has been entered. The examiner agrees with the applicants that the claims as amended meet the requirement of 35 USC 112, first paragraph. The rejection made in the previous Office action is withdrawn and the claims are allowed.
2. It is noted that the applicants provided comments regarding "gaseous form", in which they argue that one skill in the art would know that gaseous detergent is used presently in household dishwashers. It appears that the issue is moot because the reference to "gaseous form" is deleted from the claims and thereby it would not be further discussed now. The question whether or not the "gaseous form" for domestic dishwasher cleaning agents or detergents is supported by the original disclosure would be considered if the claims containing this subject matter would be filed in a continuing application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Markoff whose telephone number is 571-272-1304. The examiner can normally be reached on Monday-Friday.
